---

Dear Sirs,

Spring and summer activities are quickly approaching and we are seeking sponsors on behalf of our participants for our scheduled Horse Day Camps and summer activities. Some, but not all are promoted by the Tuolumne County Recreation Department, and sponsorships help to support our efforts, by enabling participants, special needs children and adults, to participate in our programs.

Our regular sessions as well as our summer horse camps focus on horsemanship, riding and life skills through Equine Assisted Learning, adaptive riding, arts/crafts and other hands-on activities. All sessions are guided by our certified horsemanship/riding instructor and/or equine specialist.

If you are interested in sponsoring, sponsors can be individuals, groups, small or large businesses of any kind and as our thanks to you; we take an active role in promoting your business through advertisement and promotion. (Details are in the Sponsorship Agreements).

There are so many deserving children in our community in need of help and we thank you for your support.

Thank you!
